

## WHO WE ARE

Antei Global is a consulting company, working side-by-side with Development Aid and Humanitarian actors, to deliver programs in fragile environments. Antei Global was established and registered in 2021 and aims at, being present with the teams at each steps of a program cycle; looking transparently at recommendations and ultimately providing efficiently implemented solutions.

## MISSION

*Antei global aims at providing strategic insight, leading to program delivery through maximum team effectiveness.*

## VALUES

### PRESENCE

Working in close link with the teams to maximize effectiveness.

### TRANSPARENCY

Recommending concrete and measurable actions.

### IMPACT

Working towards an enduring stability in fragile environment.

## WHAT WE DO

### *Strategic insights*

Attentive listening, context-oriented strategic analysis, development of implementable recommendations, translation of a strategy into concrete action plans, including handing over to the operational teams.

### *Program Design & Delivery*

Support in designing and managing multi-stakeholders' programs representing strong operational and political interests, specifically in the health sector. Thorough analysis of challenges and needed actions for future design and implementations. Recommendations on programmatic material including final reports, workshops for strategic development.

### *Individual and Team Development*

Individual support to High Level Management at all stages of a program life cycle; accompany decision-makers in strengthening their situational leadership skills; including the management of an already formed team upon arrival. Contribute to the development of a team according to a program design and agreed delivery, maximizing teams' effectiveness.

## GEOGRAPHICAL LOCATION

Antei Global is committed to working within the contexts of fragile countries. With an experience of more than 10 years in the field, in contexts such as Syria, Iraq, Turkey, or Lebanon, Antei Global is determined to work towards an enduring stability of those contexts.

Thanks to its capacity to mobilize individual expertise as well as complementary partner agencies, Antei Global is committed to working towards an enduring stability within those contexts.
